

Donation form

WeCare Wildlife Rescue and Rehabilitation are an entirely voluntary organisation set up to rescue, rehabilitate and whenever possible release back into the wild. We have ever rising costs due to feed, vets bills and essential equipment in order to save the lives of many of our beloved British wildlife species. No one receives a salary and every penny raised is used to help the animals and birds in our care.

If you would like to make a regular donation to WeCare Wildlife Rescue, which makes a huge difference to our work, and our ability to commit to animals needing long term care or with complex medical needs, please complete the form below and return it to us, or pass it to one of our volunteers. Thank you.
